Hey Cam, just wanted to ask if you aware that there was a mandatory meeting from Christine to meet with Michael and Hayley in his office tomorrow.

I asked for him to set up a meeting with me and myself with her regarding carrying a gun to work. But he didn't send me the invite.

I will attend the meeting as requested.

If you feel like i need to be in that meeting i would like for you to say you would like for me to be present.

Hey Cam, thanks for your message. I think it is a good idea for you to be there tomorrow.

Meeting adjourned.
