Subject: re: Corporate Apartment

Good morning, Daniel,
Our address is 20 Overbrook Court, Suite 409 Greenville, SC 29607. The instructions to access the key and apartment are attached.

Unfortunately, I am in back-to-back meetings Tuesday beginning at 9:30 am. We could meet prior to you heading for 6-mile and my 9:30 appointment if you would like. I am copying Kennie Norris (Managing Broker) and Hayley (Dir of Marketing) so you will be able to coordinate directly with them.

With regards to a launch of our newest GVL addition, with the fall holiday season coming up it would be fun and different to look at doing something then. This would be a good discussion with Kennie, Hayley and a couple of our agents so we can get the max attendance.

We are working on the timeline for Charleston and should have a better idea in the next few weeks.

Hope this helps,
Christine
